

NIFAST has been working with many Home Inspector associations over the past months to create programs that offer incentives to their internal members.

*Our work with Inter NACHI has allowed us to demonstrate our full capabilities within this community, and offer cost incentives and discounts to members who want to become NIFAST certified. Review our **video** out on the InterNACHI website. We are proud to support this valuable network.*

OTHER INTERESTED ASSOCIATIONS:

- American Society of Home Inspector's
- Dryer Vent Safety Wizard

Please check back frequently as we will update our partners page and the NIFAST blog with new information.

For information on becoming a NIFAST partner, please contact Steve Smith, Executive Director at ssmith@nifast.org.
